

Have a N.I.C.E. day

Info

Have a N.I.C.E. Day or just NICE for short is a racing game where you can start a career as a racing driver similar to [NFSU](#) and pace around with different tuned cars. Small but subtle difference: In this game you'll also find such nice accessories as machine guns, mines, or tire slashers.

Installation

I haven't found a patch or crack yet, so you have to play the game from CD.
