No one lives forever 2 is about agent Cate Archer, member of the secret organization UNITY. As their figurehead you fight in established secret agent fashion against the henchmen of the international terrorist organization H.A.R.M.. The story is basically a parody of the 60s and 70s agent movies. The game doesn't require simple shooting, but a bright mind to use the different tricks and possibilities in the missions to complete them.

Installation

Install and if necessary apply a crack afterwards.

Network

The game has a [Coop](#) mode, for which you have to forward the ports 2300-2400, 7000-10000 (TCP) and 27888 (UDP).
