

# Armada 1 Psychonic Blast

The Psychonic Blast is a special weapon of the game [Star Trek: Armada](#) which reduces the target's crew to 50% of its current value. It is researched at the [Tal Shiar Facility](#). It looks like this:

| Property            | Value        |
|---------------------|--------------|
| Range               | 400          |
| Build Time          | 140 s        |
| Supply Cost         | 10 (4.3/min) |
| Dilithium Cost      | 525 (3.8/s)  |
| Special Energy Cost | 400          |

An active [Corbomite Reflector](#) has no effect on this special weapon. Neither does the [Shield Remodulation](#). Psychonic Blast cannot target a ship using its [Phase Cloak](#).
