

# Armada 1 Enterprise-D

The *Enterprise-D* of the game *Star Trek: Armada* is one of the Federations [hero ships](#). Is is usually only available in the [singleplayer campaign](#) but may be available on custom maps and in mods. It is basically an improved version of the [Galaxy](#), enlarged by 28%. It does however use slightly different textures (see blow) showing its serial number and name. It also represents the character of Jean-Luc Picard as its captain.

|                                     |                                           |
|-------------------------------------|-------------------------------------------|
| Faction                             | <a href="#">Federation</a>                |
| Role                                | <a href="#">Hero ship</a>                 |
| Build Time                          | 100 s                                     |
| Dilithium Cost                      | 500 (5/s)                                 |
| Supply Cost                         | 7 (4.2/min)                               |
| Crew Cost                           | 1500 (15/s)                               |
| Shields                             | 1000                                      |
| Shield Recharge Rate                | 3.75/s                                    |
| Conventional Weapon Systems         | Phaser Array X2, Quantum Torpedo Launcher |
| Effective Damage Rate               | 26.6/s                                    |
| Max Special Weapon Energy           | 1000                                      |
| Special Weapon Energy Recharge Rate | 10/s                                      |
| Special Abilities                   | none                                      |
| Speed                               | 80                                        |
| Scanning Range                      | 500                                       |
| Possesses Cloak                     | no                                        |
